Bridging the Gap Between Residents and Clerks

ClerkXpress was conceived with a vision to revolutionize the traditional process of permits and licenses submission. We recognize the challenges faced by both residents and clerks in managing, submitting, and approving documents. Our platform is designed to streamline these processes, making them quicker, more transparent, and user-friendly.

Innovation at It's Best

At ClerkXpress, we believe in continuous innovation. Our dedicated team of developers and professionals is committed to enhancing our platform, ensuring it meets the evolving needs of our users. We take feedback seriously and strive to adapt and improve, making ClerkXpress the go-to solution for online permits and licenses.

Our Mission

Our mission is simple: to simplify the complexities of permits and licenses. Whether you're a resident looking to submit a document or a clerk tasked with approvals, ClerkXpress is here to ensure that the process is as seamless as possible. We aim to reduce paperwork, minimize wait times, and foster efficient communication between all parties involved.

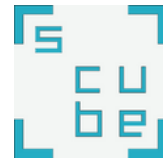

Trust & Security

We understand the sensitivity of the documents being handled. That's why we prioritize the safety and security of our user data. With state-of-the-art encryption and stringent data policies, you can rest assured that your information is in safe hands. Join us on this journey to make the permits and licenses process a breeze!

About [s]Cube

[s]Cube is a privately held, software implementation services company headquartered in Schenectady, NY. Founded in 2015 by a group of ex-GE and Xerox executives, each with more than 20 years of management experience in high-tech services delivery, [s]Cube continues to grow exponentially. To meet the growing demand for diverse service offerings and market expansion, [s]Cube recruits top technical resources from its collective network of contacts to build its highly-skilled workforce. Today, [s]Cube performs its operations throughout the United States and Canada.
